ACTIVITY REPORT-2021-22

Activity Name: Career Guidance Program for Post B.Sc Students

Date : 19/01/2022

Time : 3 p.m to 4 p.m **Guest:** Mr.Rajendra D.Ghodile

Participants : Undergraduate Students

Online Platform: Zoom

Link :
<https://us04web.zoom.us/j/4137943029?pwd=ljGlu8i9kNHRMnNNLM1mWSloJPY3Nc.1>

Objectives:

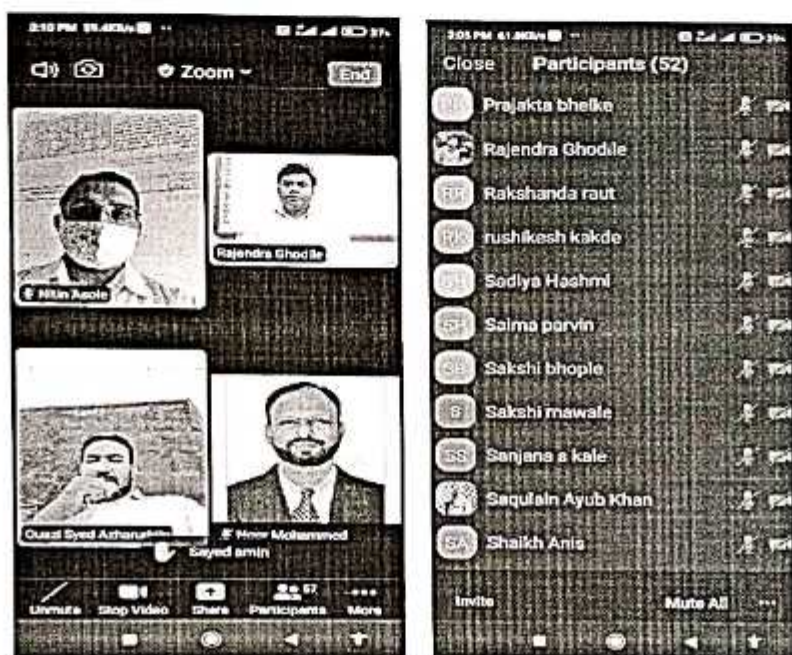

- To develop positive attitude towards study and work.
- To understand and develop the skills that are necessary to be successful in their future pathway.
- To provide students relevant career information and guidance which is suitable for their personal needs.

Program Highlights:-

Department of Chemistry in collaboration with IQAC, Bapumiya Sirajoddin Patel Arts, Commerce and Science College, Pimpalgaon Kale organized Online Career Guidance Program for Post B.Sc Students. Prof. Mr. Rajendra D.Ghodile, Assistant Professor, Department of chemistry S.P.M Science and Gilani Arts, Commerce College Ghatanji Dist.Yavatmal was present as a chief guest. 52 students attended this career counselling program. During the session the speaker guided the students to understand themselves first in terms of their interests, abilities and then what to do.

He suggested them to have a goal in life and take appropriate step and to be determined, answered all question of the students on career and education option available after final year of physical science, life science & chemical science.

Photos:-

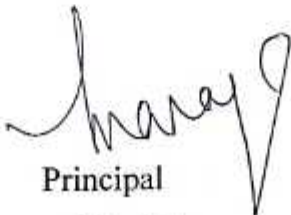

Outcomes:

1. Students can develop problem-solving attitude which will be helpful in resolving their career queries.
2. Student can learn more through Communication skills therefore the student can enhance his presentation skills.
3. Picking up the right career.

Conclusion

In today's time especially in COVID pandemic everyone has been getting affected day by day and in such a harsh time a career counsellor or a mentor can boost the confidence and they can also help the person to adopt the best practices which can help an individual to get success in achieving their dream goal. Career counselling is also important because counsellor uses various logical methods which can help students and career counselling can be extremely beneficial to build careers of students and it is equally important in the education system as well.

Career Katta

Report 2021-22

Activity: Guest lecture on "Career Guidance and Job Opportunities"

Date: 25/02/2022

Time: 4.00pm

Participant: B.Sc. Students

Objective:

1. To give Career guidance
2. To give guidance about Job opportunities in rural area.
3. To helps in the overall development of students
4. To helps in the proper choice of courses
5. To helps students in vocational development

Venue: Room No 4 (Bapumiya Sirajoddin Patel Educational Campus)

Guest: Mr. Nikesh Barde (Taluka Representative Agro Farmer Producer Company Ltd.)

Program Highlights:

On dated 25/02/2022 Career Katta in collaboration with IQAC has organized guest lecture on Career Guidance and Job Opportunities in rural area. The major objective of the program was to give guidance about job opportunities and providing assistance to students in the areas of academic career and personnel development. For this program the chief guest was Mr. Nikesh Barde (Taluka Representative Agro Farmer Producer Company Ltd.). The program was inaugurated by Dr. Noor Mohamad taluka representative career katta. Prof Bathe gave an introductory speech about said program. Mr. Nikesh gave information to students about Agro Farmer Producer Company its aim objective and importance of this company to farmer and the society. He said that there had been a shift from unemployment to unemployability in the recent years and it was very important for students to choose careers that would make them employable. One's goals, interests, personality, interest attitudes etc. should be some of the parameters in choosing one's career.

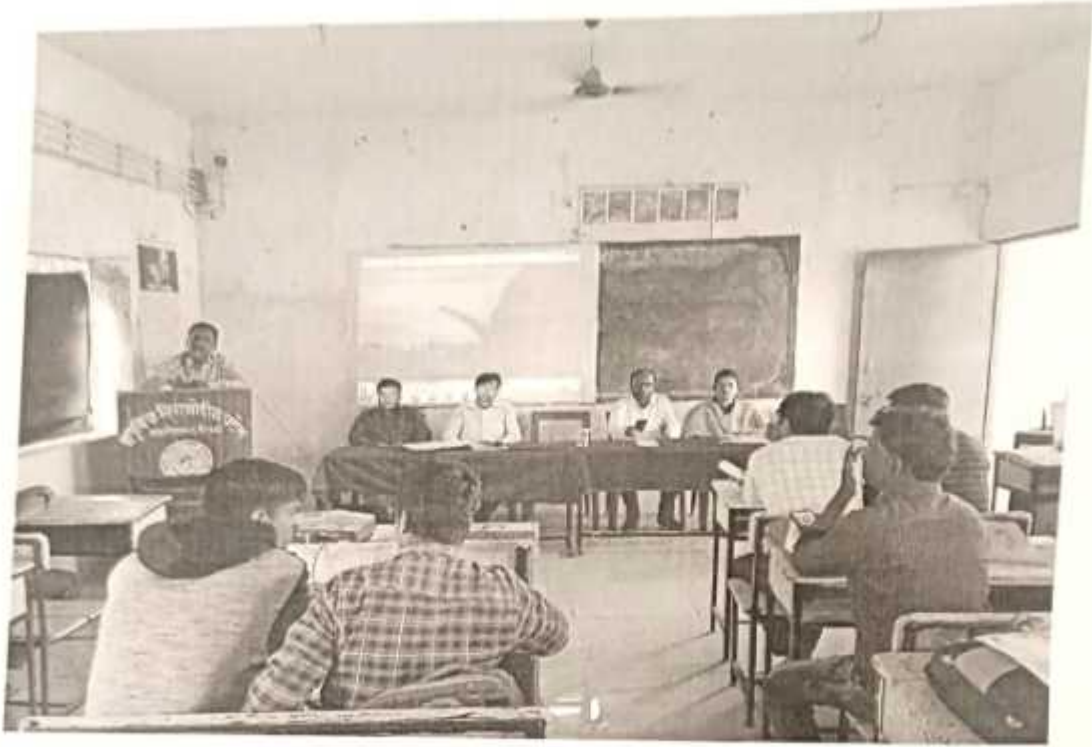

He enlightens students about job opportunities in rural area how to work in this area also explained how to face professional interviews, group discussion and which are the ways to enter in the industries. Students also interact with him and discussed about various other options to get jobs in rural areas. Dr. Jadhav anchored the session and vote of thanks was given by Mr. Jambhale.

Outcome:

1. Students got information about job opportunities in rural area.
2. Students were motivated for developing their skills.
3. Students were able to understand proper choice of courses
4. It helped to minimize the mismatching between education and employment and help in efficient use of man power.
5. Students get motivated for self-employment.
